

SUSTAINABILITY AT OUR HOTEL

Caring for the planet is a natural extension of Hyatt's purpose — to care for people so they can be their best. At Hyatt Centric Downtown Sacramento, we are dedicated to sustainability and are committed to making a difference through our daily processes. To learn more about Hyatt's sustainability efforts, [click here](#).

OVERVIEW

- Located in the heart of Sacramento within walking distance of the Capitol building, Convention Center, Golden 1 Center, restaurants, and nightlife.
- GBAC Certified

CLIMATE CHANGE & WATER

- Lights are turned on in meeting rooms & kitchen only when needed.
- Blast Chillers are utilized to cool food.
- Our daily operational reports are used to effectively schedule heating and cooling needs.
- Through our Conserve program, we change linens every third day unless requested otherwise, and guests may choose to reuse towels by leaving them hanging.
- Suggesting lower-impact options for centerpieces and décor, such as potted plants rather than flower arrangements
- Guestroom restrooms use low flow showerheads and faucets, as well as low flush toilets.
- Guestroom thermostats conserve energy while room is vacant.
- High efficiency products are used throughout the hotel, for example, LED lighting, Energy Star rated TV's and appliances, high efficiency water heaters, high efficiency motors, and VFD motor controls.

WASTE & CIRCULARITY

- Plastic straws are not used. Rather, straws made of agave and are compostable.
- Water served using carafes is the default offering for meetings and events.
- If you would like to avoid disposable water bottles, hydration stations are available in the lobby.
- Mobile Entry is available through the World of Hyatt app to reduce the number of plastic keycards handed out.
- Supporting digital signage and offering Hyatt Apps to help enable a paperless meeting.
- Offering reports through the Planner Portal, reducing the need to print.
- Food waste is collected for composting.
- More than 40% of waste is diverted from the landfill by recycling and composting.
- Hazardous waste such as batteries, light bulbs, and electronic waste is collected and disposed of properly.
- Products containing post consumer recycled content are used throughout the property.

RESPONSIBLE SOURCING

- Hyatt's Food. Thoughtfully Sourced. Carefully Served. philosophy guides us in how we select ingredients that are better for people, communities, and the planet.
- Cage-free eggs are utilized in our restaurants
 - Seafood is sustainably purchased from responsible sources
 - Located in America's Farm to Fork Capital, produce is organic and purchased locally.
 - Beef is all-natural and grass-fed.
 - Plant based & plant forward menu items are offered in our restaurants and for events.
